## Final Printed Newsletter

This is the last hard copy newsletter you will receive from Sequoia. We have been fortunate to have a grant from the Hillsboro Arts and Culture Council for the last two years that enabled us to produce this communication. Going forward, we are moving to an electronic newsletter. This method will save us money and allow us to provide you with much more timely information about the happenings at Sequoia.

### We Need Your Email Address!

We currently have over 700 snail mail addresses but about 400 e-mail addresses in our database. If you wish to continue to receive Sequoia ArtNews, please e-mail us a note so we can include your email address! We will continue to mail out monthly show postcards via U.S. Mail.

## Visit us on Facebook!

If you're on Facebook, "friend" Sequoia Gallery! Updates are posted from time to time, and you'll get the most current information that way.

## Visit our Website!

We update our site every month with information on the Featured Artists of the Month, and we will post copies of electronic newsletters and announcements of classes and events.
